

# Community Health Improvement Plan

Board of Health Update

11/12/2013

**Davis**  
COUNTY

Connects.You.

**Your Community.**

**Your Health.**

**Your Voice.**

# AUGUST 29, 2013

## VALLEY VIEW GOLF COURSE

# PURPOSE OF CHIP

- ⦿ Identify Davis County's health improvement priorities
- ⦿ Mobilizes partners to address the priorities
- ⦿ Community-wide health improvement strategic plan that represents plan for **whole community** and not a single agency

# ESSENTIAL QUESTION

How can focusing on what's important empower our community to take action?

# The Need to Collaborate around a Strategy

## No Strategic Alignment

## Can Davis County Use the Power of Strategic Alignment?

# ESSENTIAL INGREDIENTS

- ◎ Priorities & strategies based upon the findings of the community health assessment
- ◎ Community driven
- ◎ Broad set of stake holder & partners
- ◎ Significant involvement from variety of community sectors

# AUGUST 29, 2013

- ◎ 50+ participants from many sectors
- ◎ 4 Board of Health Members
- ◎ Results of CHA
- ◎ Voting Criteria Discussion
- ◎ Multi-Round Voting (aka: Dotmocracy)

INFRASTRUCTURE

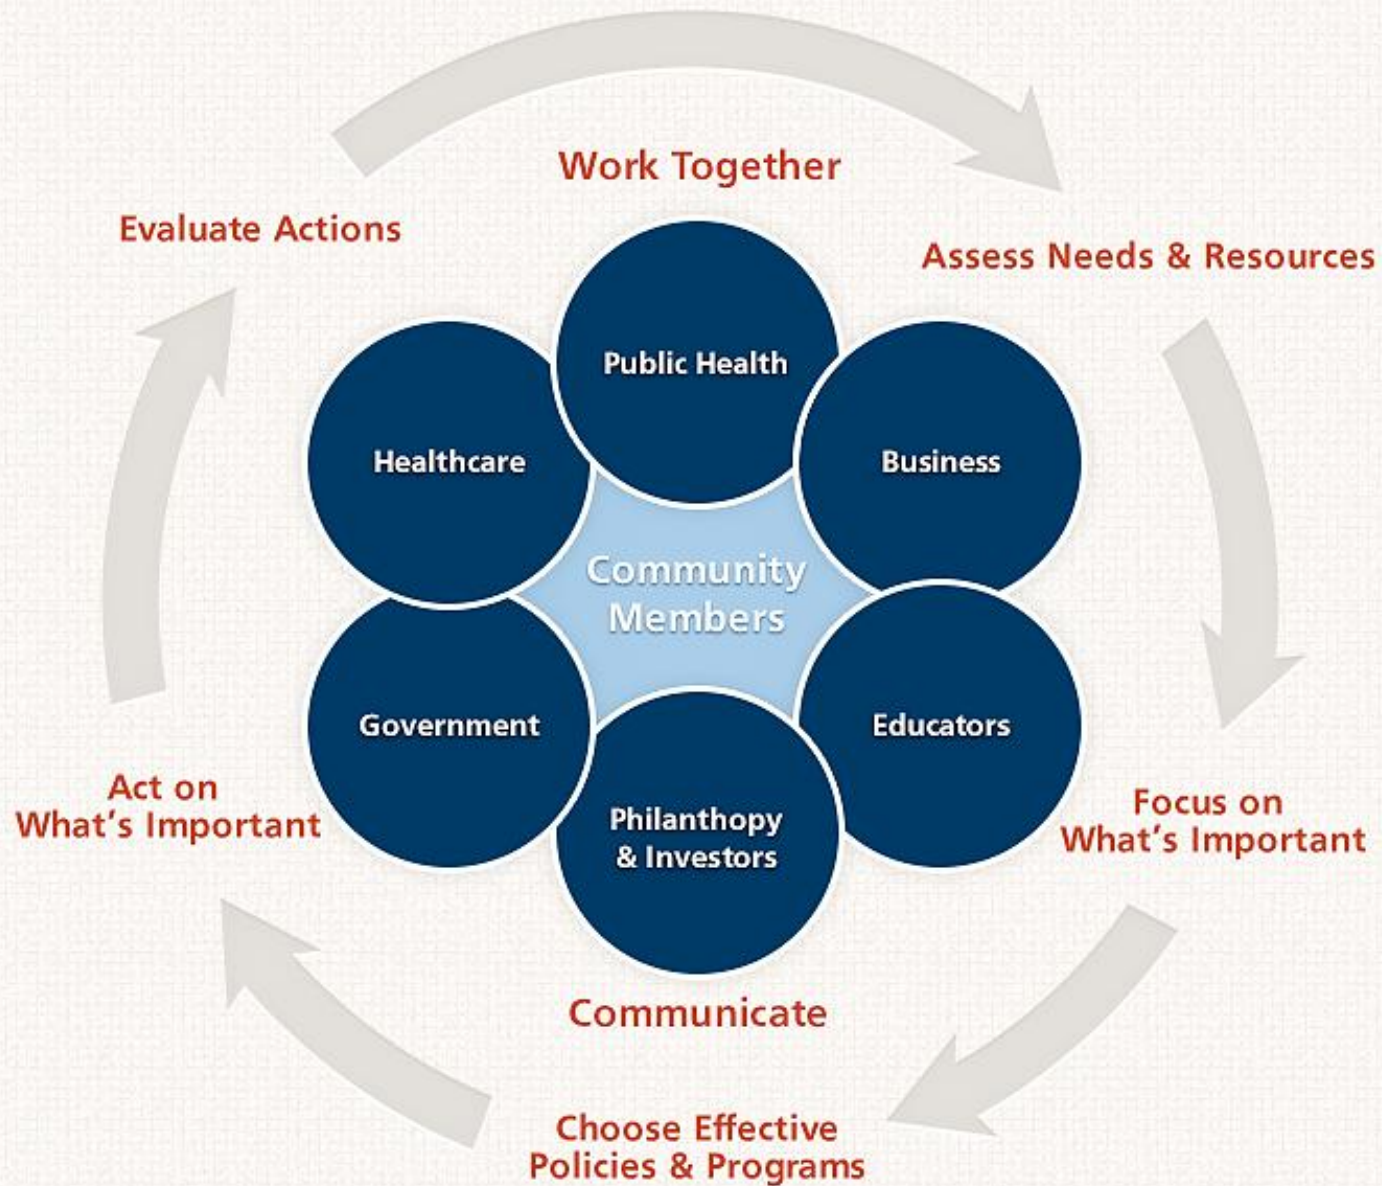

# RESULTS

1. Suicide
2. Obesity
3. Access to Mental Health Services
4. Air Quality

Other issues making top 10: anxiety/depression, substance abuse & access to treatment, health & human services coordination, promotion/education about existing resources & services, & health insurance issues

# TAKE ACTION

# CHIP

- ◎ Brief justification for why issue is a priority
- ◎ Goals, objectives, strategies, and performance measures
- ◎ Timelines
- ◎ Individuals & organizations that have accepted responsibility for implementing strategies
- ◎ How action will be sustained
- ◎ Action Plan
- ◎ Logic Model
- ◎ 5 year plan (2014-2018)

# SUICIDE

- ⦿ Promote public awareness that suicide is a preventable public health problem
- ⦿ Improve the ability of service providers to support individuals who are at risk
- ⦿ Youth suicide prevention programs
- ⦿ Prevention programs/resources to support adults, members of the workforce & families who are at risk
- ⦿ Davis County survivor support group
- ⦿ Decrease the risk of suicides by reducing access to lethal means

# OBESITY

- ◎ Physical activity (physical activity in schools, active transportation)
- ◎ Access to healthy foods (family meal time, community supported agriculture, school & community gardens, summer recreation programs, land use policies)
- ◎ Resources to support physical activity & health eating (resource locator, social media, healthcare provider outreach)
- ◎ Comprehensive worksite wellness programs

# ACCESS TO BEHAVIORAL HEALTH SERVICES

- ◎ Identify a network of Davis County behavioral health providers
- ◎ Use of behavioral health referral tools
- ◎ Behavioral health providers & other helping professionals utilize depression/anxiety screening tools
- ◎ Community education programs to: reduce behavioral health stigma; help the community identify, understand & respond to signs of mental illnesses & substance use disorders; and help the community cope with stress & chronic disease

# AIR QUALITY

- ◎ Improve & increase air monitoring
- ◎ Support active transportation (walking-bicycling) & use of public transportation
- ◎ Community education campaign to inform students, employees & residents about lifestyle & behavior choices that reduce air pollution

# STRATEGIC PLAN PROGRESS

- ◎ Mission, Vision, Values
- ◎ Assessment of Strengths & Weaknesses
- ◎ Strategic Priorities
- ◎ Goals & Objectives
- ◎ Link to CHIP/SHIP
- ◎ At least every 5 Years
- ◎ Employee Surveys
- ◎ October 28<sup>th</sup> Senior Staff Retreat

# STRATEGIC PRIORITIES

1. Support CHIP (Suicide, Obesity, Access to Behavioral Health Services, Air Quality)
2. Support SHIP (Immunization across the Lifespan, Physical Activity, Healthy Eating & Obesity, Effective & Unified Public Health System, Public Health Funding)
3. Quality Improvement & Performance Management
4. Workforce Development
5. Public Health System Improvement
6. Employee Wellness Program
7. Communication
